I am looking forward to some great music making in 2017-2018! My studio offers something for every age of student and ability. Won't you join me on this journey of experiencing the joy of music making?

Registration for 2017-2018

- **A \$70.00 deposit to commit to taking lessons in this studio for 2017-2018 is due by June 1, 2017.** This deposit is non-refundable if you choose not to continue lessons in the studio after registration has been turned in. The deposit will be applied to tuition for 2017-2018.
- **The balance of the registration is due by August 1, 2017.** This balance will be determined by the tuition for 30 or 45 minute lessons. The remaining balance would be \$62.00 for 30 minute lessons and \$126.00 for 45 minute lessons.
- There will be a yearly charge of \$15.00 **per student** that will be applied directly to studio resources. **This is due August 1, 2017.** This allows me to have the funds to have a duet and trio library for students to use for the MMTA Ensemble Festival and numerous choices of music for other events.

Lessons will begin on Wednesday, September 7. The studio calendar will have information and dates for recitals, festival, contest, and so much more. This will be given out closer to September. I have students from several school districts. To be fair to each student, I will observe all major holidays such as Thanksgiving and Christmas as scheduled breaks.

Carefully fill out this registration form noting that it is two pages in length. Listed below are times that I am available for lessons. Please mark the times that would work for your family. I will make every effort to accommodate your request. Priorities in scheduling will be given to those who had that lesson time in the prior year, those who have taken summer lessons, length of time studied in the studio, and those who return the registration form promptly. Complete schedules will be sent to you once lesson times are set up.

If you will not be continuing lessons in my studio, please contact me so I can open that spot to someone on the waiting list.

Parents: At the first scheduled lesson, I want to meet with at least one parent/guardian and the student and we will look at the upcoming year and set goals of things to participate in, practice goals, and things the student and/or parent/guardian want the student to learn.

Communication: *Communication is one of the keys to success. If your child is not liking lessons, let's talk. If you have questions about an upcoming event and what is expected, let's talk. Piano should be fun, enjoyable, and a good learning experience. Let's work together to make that happen!*
