### SUMMER LESSON INFORMATION 2017

Six Week Session of Music Lessons (Piano, Organ, or Voice)

Lessons will be Wednesday or Thursday afternoon/evening

#### Lesson Days

June 14/15

June 21/22

June 28/29

July 5/6

July 12/13

July 19/20

- 30 and 45 minute lessons will be available.
- One lesson during these six weeks can be moved outside of the six-week schedule. For example, if your child has a summer camp one week during the six weeks of lessons this lesson could be rescheduled for another week of the summer.
- Once the summer lesson schedule is prepared, I would ask that swaps occur among other scheduled students due to my needing to arrange daycare.
- ***Several families have chosen to take additional weeks of lessons beyond the 6 weeks of the summer lessons session. If you are interested in this, please let me know.***
- Priority for School Year lesson time scheduling is given to those who take summer lessons, those who had a certain lesson time in the prior year, length of time in the studio, and those who return the school year registration form promptly.

*Please talk with me about possible options before ruling out summer lessons.* Summer lessons are a great way to continue the learning that has occurred during the school year and prevent the loss of skills during the summer. We can also prepare for fall theory testing or piano exams over the summer and for more advanced students begin work on contest music. If you know of a potential new student, feel free to share this information with them. Summer is a great time to begin lessons and learn about the studio.
