### **SUMMER LESSON INFORMATION 2019**

Summer lesson packages of 4, 6, 8, or 10 lessons will be available.

Summer lessons are a great way to continue the learning that has occurred during the school year and prevent the loss of skills during the summer.

Priority for School Year lesson time scheduling is given to those who take summer lessons, those who had a certain lesson time in the prior year, length of time in the studio, and those who return the school year registration form promptly.

After choosing a summer lesson package return the registration form and payment. A link will be sent after the registration form and payment have been received. You will schedule lessons which fit your family's schedule. You will have approx. 12 weeks during the summer to complete the use of your lesson package. *Lessons will be scheduled on a "First Come First Serve" basis. The instructor reserves the right to compress the lesson schedule (for a day) to minimize breaks.*

Lesson Times will be offered Monday, Tuesday, Wednesday, and Thursday with times typically from 2PM-5:30PM. You can choose to schedule at the same time every week if it is open or varied depending on your schedules.

**Summer Lesson Registration is due May 15<sup>th</sup> by Noon.**
